

What Can You Do?

Donations

Homes for the Brave accepts a wide variety of donations both monetary and in-kind. Financial donations allow *HFTB* to continue fostering its programs and to expand its services. Donations can be made in a variety of ways, including traditional checks, credit cards, and electronic checks. More information can be found on our website. *HFTB* also accepts a wide range of in-kind donations, including canned goods, clothing, new bedding, and more. Please see our Wish List for all accepted items.

Employment Opportunities

In order to successfully leave homelessness behind, individuals need satisfying employment. *HFTB* works closely with various corporations and employers to help locate jobs for our homeless veterans. Veterans are dependable, disciplined, dedicated, punctual, and practical. Your company may also be eligible for generous tax credits, free trainings, and preference for government contracts if you hire veterans. *HFTB* will provide placement services, evaluations, and a steady pool of applicants. If your company is interested in hiring our residents, please contact our vocational specialist, Paul Hudson at (203) 338-0669.

Dinners

HFTB provides one catered meal a day to its residents. We invite community organizations and families to supply, prepare, and serve one of these dinners. It is a great opportunity for supporters to meet and get to know the residents.

Fundraising Events

Several times a year, *HFTB* hosts fundraising events to help supplement funds for its programs. We invite our supporters to not only attend these events, but also help make them a success. If you are interested in sitting on a committee or volunteering your time, please let us know.

Community Events

HFTB constantly works to help residents reinvest in their communities. Veterans should take pride in being citizens of their towns. If you know a community event that may be beneficial to *HFTB* residents, please consider inviting them. This can include job fairs, holiday celebrations, and much more.

For questions or information, please contact Amanda LeClair, Development Director, by phone at (203) 338-0669 or by email at aleclair@homesforthebrave.org.
